

Laura Kamienski, candidate for Chair

I have been involved in Republican politics since I started making phone calls in high school, continuing through College Republicans, and featuring a Congressional internship in Washington, DC, during law school. Since moving to Linn County and becoming involved with the LCRCC I have served in many roles, including as co-chair, parliamentarian, on caucus committee, assisting with events, and as a member of the advisory committee and 1st District Executive Committee. I am also involved in many local and state-wide professional and civic groups and would leverage these relationships to benefit our committee. My goals and priorities for the Linn County Republican Central Committee for the next 2 years are a successful high-profile caucus and convention, outreach to identify and engage more local Republicans, candidate recruitment and support, and fundraising to sustain these activities.
