

Mike Dupree
Candidate for LCRCC Co-Chair

My pledge to members of the LCRCC is to work to 1) improve transparency in motions/actions proposed to the LCRCC body, 2) facilitate candidate messaging to enhance success of candidate campaigns, 3) ensure successful caucuses and conventions, 4) seeking increased participation in Central Committee by both LCRCC members and Republicans in general, and 5) provide executive support to fund raising efforts to further the above objectives (candidates, caucuses and conventions).

I would appreciate your vote and support, and look forward to working together as a Central Committee.

Background: A life-long Republican, I have engaged in the LCRCC activities for the last 5 years, including promoting/streamlining platform positions, participation in county, district and state conventions, supporting youth involvement in conventions, Caucus Precinct Leader, Precinct Site Leader for Elections, networking with County Auditor's Office, a 5-year member of LCRCC Membership Committee, walking parades with GOP, etc. My concerns and interests in the GOP are to influence the GOP direction as it responds to the far-left leaning Democrat party, and to work to bring independents and democrats into the Republican Party through communication and ensuring pertinent and high integrity public positions.

My career includes 44 years with Rockwell Collins (now Collins Aerospace), serving as Managers in both finance positions (e.g. Controller) and Contract Management (contractual, legal related issues, including preparation of complex, technical proposals and contract negotiations).
